

# RC2500 AIU-4H

## Hand Held Remote Control

The RC2500 AIU-4 remote control connects to the bottom of the enclosure on the Research Concepts AIU-4. This product allows local control of the antenna independent from the ACU.

### FEATURES

- LED's on the RC2500 AIU-4 remote control show the status of the six position limits: UP/DOWN, CW/CCW, and POL CW/CCW
- Two additional LED's show the Status of the AZ and EL DRIVE ALARM status
- Cable length is nominally 20 feet
- Jog capability is FAST or SLOW in any axis/direction (dependent upon AIU functionality)
- Dimensions and weight of the RC2500 AIU-4 remote control are as follows: 9.0" x 4.5" x 2.0"; approximately 3 lbs (22.8cm x 11.4cm x 5.1cm; 1.36 kg)
